THE SUTLIFF 1849 BLEND

Henry Sutliff opened the first of his shops back in 1849 in San Francisco on Kearny Street. This fine mixture of Sweet Virginia and Spicy Perique is in commemoration of the founding of America's oldest pipe tobacco company. This unique blend is a mixture of Bright Yellow Virginia, Sweet Red Virginia and two different cuts of Perique. Aesthetically this is the perfect VaPer Blend, not only is it visually appealing but also tantalizingly flavorful.
